## **13. QUOTATION OF OPTIONS AND SHARES**

### **13.1 No listing**

The Options will not be listed on any securities exchange on which the Company is Listed.

### **13.2 Application for Listing**

- (a) If the Company is Listed at the time of exercise of any Options, the Company will make application to the relevant securities exchange for listing or quotation of the Shares issued on exercise of the Options.
- (b) Any such application is to be made in accordance with the requirements of the applicable Listing Rules.

### **13.3 Condition**

The grant of each Option is subject to a condition that if the Company become Listed, the Participant or former Participant must sign any restriction (escrow) agreement required by the relevant securities exchange, in respect of the Option or any Shares issued on exercise of the Option.

#### 14. PARTICIPATION IN NEW ISSUES

A Participant may only participate in issues of securities by the Company if the Option has been exercised and a Share allotted in respect of the exercise of that Option before the books closing date for determining entitlements to the security issue.

#### 15. VARIATIONS OF CAPITAL

##### 15.1 Bonus issues

- (a) If, prior to an exercise of an Option by a Participant, the Company makes a bonus issue of Shares pursuant to an offer of Shares to at least all holders of Shares to whom such an offer would be lawful, then on exercise by a Participant of an Option the Participant will be entitled to be allotted (in addition to the Shares to which the Participant is otherwise entitled), the number of additional Shares (in this rule 15.1 called "**Additional Shares**") which would have been issued to the Participant in such Bonus Issue (disregarding fractions) if, at the date on which entitlements to the bonus issue were calculated, the Participant had been registered as the holder of Shares equal to the aggregate of the number of Shares and any Additional Shares (if any, resulting from any earlier application of this rule) to which the Participant would have been entitled if immediately prior to that date the Participant had so exercised the Option in respect of the Shares then the subject of the Option and the exercise.
- (b) The Additional Shares must be issued credited as fully paid and rank equally with the other Shares issued as a result of the exercise of the Option.

##### 15.2 Rights Issues

If, prior to an exercise of an Option by a Participant, any offer or invitation is made by the Company to at least all holders of Shares to whom such an offer would be lawful for the subscription of cash for shares of the Company, the Exercise Price of the Option will be reduced according to the following formula:

$$O_1 = \frac{O_2 - E[P - (S + D)]}{N + 1}$$

Where:

- O<sub>1</sub> = the new Exercise Price of the Option;
- O<sub>2</sub> = the old Exercise Price of the Option;
- E = the number of Shares into which the Option is exercisable;
- P = the subscription price for a Share under the pro rata issue or, if the Company is Listed, the average market price per Share (weighted by reference to volume) of the Shares during the 5 trading days on the exchange on which the shares are Listed ending on the day before the ex-rights date or ex-entitlements date or if there is no such date then the date chosen by the Board. If the Company is Listed on more than one exchange, then this provision is to be interpreted by reference to trading

on the primary exchange on which Shares are Listed (unless the Board otherwise determines);

- S = the subscription price for a Share under the pro rata issue;
- D = the dividend due but not yet paid on the existing Shares (except those to be issued under the pro rata issue); and
- N = the number of Shares with rights or entitlements that must be held to receive a right to one new Share.

### 15.3 Reorganisation of Capital

- (a) If an Option has not been exercised and FCG reorganises its issued capital including without limitation:
- (1) a consolidation of capital;
  - (2) a subdivision of capital
  - (3) a return of capital;
  - (4) a reduction of capital by a cancellation of paid up capital that is lost or not represented by available assets where no securities are cancelled;
  - (5) a pro rata cancellation or capital,
- the number or the Exercise Price of the Options or both to which the Holder is entitled will be adjusted in accordance with Listing Rule 7.22.
- (b) This clause 15.3 is subject to the same provisions with respect to rounding of entitlements as sanctioned by the meeting of shareholders approving the reorganisation of capital.
- (c) Any other rights of the Holder will be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of reorganisation but in all other respects the terms for the exercise of the Options shall remain unchanged.

### 15.4 Return of Capital

If, prior to the exercise of an Option by a Participant, the Company makes a return of capital to holders of Shares generally, the Exercise Price will be reduced by the amount of the capital returned in respect of each Share.

### 15.5 Cumulative Adjustments

The terms of this rule 15 relating to bonus issues, rights issues, reconstructions and returns of capital may be applied on more than one occasion such that their effects may be cumulative. It is intended that the adjustments they progressively effect will be such as to reflect in relation to the Shares subject to Options, the adjustments which on the occasions in question are progressively effected in relation to Shares already on issue.

### 15.6 Notice of Adjustments

Whenever the number of Shares subject to an Option or the Exercise Price is adjusted in accordance with these rules, the Company will give notice of the adjustment to the Participant

holding the Option.

## **16. PLAN AND OPTION AMENDMENTS**

### **16.1 Amendment by Board**

The rights attaching to the Options may be amended by the Board subject to receipt of any necessary shareholder or other approval under:

- (a) the Corporations Act or any other law applicable to the Company; and
- (b) if the Company is Listed, the applicable Listing Rules.

### **16.2 Subject to Listing Rules**

If the Company is Listed and the provisions of this Plan or the terms of issue of the Options are inconsistent with the Listing Rules, then the Listing Rules prevail to the extent of any inconsistency and the terms of the Options will be deemed modified accordingly without further action by the Company, the Board or the holder of the Option being necessary.

### **16.3 Deemed modification**

Without limiting the generality of rule 16.2, it is a term of each Option that, if the Company is Listed, the rights of the Participant who holds the Option are deemed modified from time to time as necessary to ensure the terms of the Options comply with the Listing Rules generally and in particular (but without limitation) as those rules apply to reorganisations of capital at the time of any re-organisation of the Company's capital, in each case despite any inconsistent provision in the terms of this Plan.

### **16.4 Amendment without prejudice**

Subject to rules 16.1 to 16.3 (inclusive) and, if the Company is Listed, to receipt of any necessary approvals required under the Listing Rules, the terms of this Plan may be amended by the Board but without prejudice to the existing or accrued rights of Participants before any amendments are made.

## **17. ADMINISTRATION OF THE PLAN**

This Plan will be administered by the Board. The Board will have power to:

- (a) delegate to any persons for such period and on such terms as it sees fit, the exercise of any of its powers or discretions under this Plan;
- (b) determine appropriate procedures for administration of this Plan consistent with these rules, including approving the form and content of forms and notices to be issued under this Plan; and
- (c) resolve conclusively all questions of fact, construction, interpretation or ambiguity in connection with the terms or operation of this Plan and the terms of Options granted under this Plan.

## **18. NOTICES**

- (a) Notices may be given by the Company to Participants in the manner permitted by the Corporations Act for the giving of notices to holders of Shares and the relevant provisions

of the Corporations Act apply (with necessary changes) to notices given to Participants.

- (b) Service of all documents required by this Plan shall be deemed to be affected if the Company sends the document by registered post to the last address of the Participant known to the Company.

#### **19. TERMINATION OF THE PLAN**

This Plan may be determined at any time by resolution of the Board. Termination of this Plan will be without prejudice to the rights of Participants in respect of Options outstanding at the date of termination.

#### **20. GOVERNING LAW**

The terms of this Plan are governed by the laws of the State of New South Wales.
